

Since 1979, Community Energy Project has been empowering people to maintain healthier, more livable homes, control their utility costs, and conserve natural resources.

We conduct **free workshops** on weatherization, lead poisoning prevention, and water conservation.

We provide in-home weatherization and safety repairs for low-income seniors and people with disabilities.

## CEP Sponsors

- ❖ Portland Housing Bureau
- ❖ Portland Water Bureau
- ❖ Multnomah County Office of Schools and Community Partnerships
- ❖ Portland General Electric
- ❖ PacifiCorp
- ❖ Oregon Department of Energy
- ❖ East Multnomah Soil and Water Conservation District
- ❖ Clara Barton VISTA Corps
- ❖ Proceeds from our Retail Fundraiser
- ❖ Donations from local businesses and individuals

## Help Support our Programs!

You can purchase a variety of weatherization and lead poisoning prevention products through our Retail Fundraiser.

### *Statement of Inclusion*

Community Energy Project values and operates by a policy of inclusion, providing equal opportunity to all persons regardless of their protected status, including race, color, creed, religion, sex, age, national origin, marital status, sexual orientation, gender identity, disability, and/or any other class determined by law.

## Services for Seniors & People with Disabilities

## In-Home Services

We envision a future where all people can afford to live in their homes with dignity, comfort, and safety.

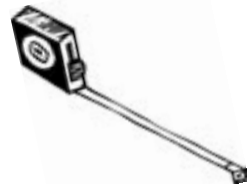

# Services for Seniors and People with Disabilities

For over 30 years, Community Energy Project has been serving our community.

We work with you to come up with a plan to improve the comfort level of your home and refer you to agencies that can provide additional services.

We schedule a time for staff and trained volunteers to install weatherization and safety materials free of charge.

## Weatherization

Our In-Home Weatherization Teams install energy-saving materials, implementing draft-stopping measures to lower heating bills, stay warm, and conserve energy. We install:

- ❖ Reusable, internally-mounted vinyl storm window kits that can roll up for the summer
- ❖ Door weatherstripping
- ❖ Compact florescent lights, outlet & lightswitch gaskets, caulking, and more

## Who Qualifies?

You must be 55 years or older or have a disability and meet income guidelines:

Household Size	Annual Income	Monthly Income
1	\$25,000	\$2,041
2	\$28,000	\$2,333
3	\$31,500	\$2,625
4	\$35,000	\$2,916
5	\$37,800	\$3,150
6	\$40,600	\$3,383
7	\$43,400	\$3,616
8+	\$46,200	\$3,850

CEP programs are funded by local communities. We are able to weatherize in Portland, Troutdale, Corbett, and Wood Village.

## Safety Repairs

City of Portland residents also qualify for our free Safety Repair program. We can:

- ❖ Install bathroom safety equipment such as grab bars, hand-held showerheads, elevated toilet seats, etc.
- ❖ Provide minor carpentry repairs to stairs or porches
- ❖ Replace or install smoke detectors and carbon monoxide alarms
