| Phone(s)  | Email(s)              |   |
| Fax   | Website               |   |

Please remember to bring your curriculum, ideas, brochures, or other materials you'd like to share or discuss with other energy educators during the interactive portion of the training!

**Please tell us about your energy education program. For instance, how many people do you serve, number of workshops, events, or home visits, etc.**

**What are the biggest challenges for your program? What type of resources or information are you looking for?**

## **Logistics**

### **Morning Coffee/Tea and Lunch Provided**

We will serve refreshments. Lunch will be provided by OMSI's café, and each participant will receive a voucher to choose what works for them for lunch.

**Parking is free** in the OMSI parking lot. Enter the museum through the entrance marked, "Planetarium" which is to the right of the main entrance doors.

### **Lodging**

Participants will need to arrange their own lodging. We can send a list of affordable places to say by request.

### **Interactive Models**

CEP's custom interactive models will be on display and available for purchase separately. We will provide one small outreach window for each participant as part of the training. Details on ordering can be found at the training or on our website (scroll down products for "Energy Educator Series" <http://www.communityenergyproject.org/purchase.html>.)

**Questions?** Call or email Chaun MacQueen at 503-284-6827 ext 105 or [training@communityenergyproject.org](mailto:training@communityenergyproject.org).
